

As your Congressman, I am happy to have a United States flag flown over the Capitol on any specific date in honor of a particular person, event or organization. Each flag is individually boxed and includes a certificate of dedication.

Because of the large volume of flag requests, my office requires a check for the cost of the flag before the flag can be flown and shipped. All flags are sold at cost and take approximately 4-6 weeks for delivery.

Once you have completed the form below, please print and send it to my Washington office along with a check made out to "Adler Office Supply Account." All requests should be sent to the following address:

Congressman John Adler
1223 Longworth House Office Building
Washington, DC 20515
